From

M. Karamatullah, Esq., I.C.S.,
Collector of South Kanara.

To

The Secretary to Government,
Education & Public Health Department,
Fort St. George.

Through

The Director of Public Health,
M a d r a s.

Sir,

Plague - Prevalence of - North Kanara District - (Bombay Presidency) - Bhatkal Town - Preventive measures against importation to South Kanara District - Observation depot at Shiroor - continuance of - sanction solicited.

Reference: 1. This office Ref.B4.No.187/42, dated 17.1.1942.

2. From the District Health Officer, South Kanara, letter Ref:No.56-B/42, dated 26.1.1942.

I invite a kind reference to the District Health Officer's letter cited above; a copy of which appears to have been sent by him to the Director of Public Health, direct. The District Health Officer proposes the continuance of the Plague Observation depot, with the special staff, at Shiroor, up to 31.3.1942. In the circumstances stated by him, I request that sanction may be accorded to the continuance of the staff, the sanction for the appointment of which was solicited in my letter cited above, up to 31.3.1942. The District Health officer may, however, be informed that the depot should be closed and the special staff disbanded before that date if the circumstances will permit. In anticipation of kind sanction, I have issued the notification in English and Kannada, copies of which have been communicated to the Director of Public Health -------

separately.

2. The District Health Officer has sent the following estimate of the expenditure for the maintenance of the above staff:-

For January 1942.

(1) Pay of Establishment	29. 4. 0
(2) Contingencies (including wages of two coolies).	21. 2. 0
(3) Travelling Allowance for the District Health Officer.	70. 0. 0

For February 1942.

(1) Pay of Establishment	67. 0. 0
(2) Contingencies	40. 0. 0
(3) Travelling Allowance	70. 0. 0

For March 1942.

(1) Pay of Establishment	67. 0. 0
(2) Contingencies	40. 0. 0
(3) Travelling Allowance	70. 0. 0

Total under item (1) above	163. 4. 0
Do. (2)	101. 2. 0
Do. (3)	210. 0. 0

3. The allotment under items (1) and (2) above already sanctioned for this district will, I suppose, be enough to meet the above expenditure. But as regards item (3) viz., Travelling Allowance, a sum of Rs.596.12.0 has already been expended up to the end of December last out of the sanctioned allotment of Rs.650/-; and there are bills from the District Health Officer to the extent of Rs.246.0.0 pending encashment. I recommend therefore, that an additional allotment of Rs.410/- under Travelling Allowance may be sanctioned up to the end of March 1942.

For Collector.

Copy to the District Health Officer, South Kanara.
